

## General Information

Swiss School Bangkok is an officially recognized private school according to the Swiss Federal Law, dated October 9, 1987. The Canton of Lucerne supervises the school and the curriculum. The Gymnasium leads to the Bilingual Swiss Maturity examination at the end of Grade 12. The Swiss Maturity entitles our graduates to enrol at universities worldwide.

The Federal Republic of Germany supports the Swiss School financially through officially sponsored teachers. Since 1994, the school holds yearly examinations at the end of Secondary Level I under the supervision of the German Conference of Ministers of Education of the Federal States (Kultusministerkonferenz).

The school is managed by the Swiss Educational Association Bangkok (SEA) and registered with Thai authorities. Swiss School Bangkok is non profit-oriented and neutral in regard to politics and religious affiliation. It is open to students of any nationality who wish to gain strong knowledge in the German and English language.

The Swiss School Bangkok only employs qualified and experienced teaching staff with university degrees.

The school is a certified ICDL (International Computer Driving License) test centre as well as a Cambridge English language examination centre (PET, FCE, CAE, CPE).
