

## RUAMRUDEE INTERNATIONAL SCHOOL

### ENROLMENT AGREEMENT

**To: Parents of Ruamrudee International School**  
**From: Head of School**

Ruamrudee International School's purpose is to provide for the scholastic and moral development of the students who have chosen to attend this school. Discipline is one of the means to achieve and maintain the school's learning environment and promote the scholastic development of the student. Ruamrudee International School attempts to instill self-discipline and inner-direction to assist the student in fulfilling his or her present responsibilities and preparing for his or her future role in society.

The common good of the student body and Ruamrudee International School demands that decisive action be taken in cases of serious or repeated violations of school regulations, procedures, or unwritten conventions. In the face of a student's failure to accept responsibility, the school authorities may see the need for a parent-teacher conference, a parent-supervisor conference, or suspension from school.
